

## **Weather and Closure Policies**

Mini Masters follows the weather cancellation schedule of Talbot County Public Schools (TCPS), but will open at 10:00am for all weather-related delays. Parents, however, may use their discretion when inclement weather is a factor. Mini Masters Academy makes independent decision regarding holiday, vacation and Museum-related closures. A calendar with important dates is included on the website. Please listen to WCEI 96.7 FM for Talbot County School Closures or for important emergency information.
